ASSIGNMENT

For good and valuable consideration, the receipt and adequacy of which being hereby acknowledged, Ronald E. Wanderlich, an individual with an address at 13057 Cedar Creek Drive, Port Charlotte, FL 33953 (hereinafter referred to as "Assignor"), hereby sells, assigns, and transfers unto RW IP Holdings, LLC, (a Massachusetts Limited Liability Company) with a business address at 240 Harris Street, Revere MA 02151 (hereinafter Assignee) and unto Assignee's successors, assigns and legal representatives, the entire right, title and interest, for all countries, in and to the invention and any and all improvements relating to the invention entitled:

Terminal Units for a Mobile Communications System

that was invented by Assignor and is described and protected by United States Patent Application Nos. 60/028,898, filed October 21, 1996, and 08/955,236, filed October 21, 1997, now United States Utility Patent No. 6,028,531, issued February 22, 2000, and in any legal equivalent thereof in any foreign country, including all rights and causes of action to sue and recover damages for past, present, and future infringement, the right to claim priority, all Letters Patent obtained for the invention by any of the foregoing applications or any continuation, division, renewal, or substitute thereof, and as to all Letters Patent deriving from any reissue or re-examination thereof, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made.

Assignor agrees that, when requested, Assignor will, without charge to Assignee, sign all papers, take all rightful oaths, and do all acts that may be necessary, desirable or convenient for securing and maintaining patents for the invention in any and all countries and for vesting title thereto in Assignee, its successors, assigns, and legal representatives or nominees.

Assignor authorizes and empowers Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the invention filed by Assignor, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from Assignor.

Assignor hereby consents that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document that may be required in any country for any purpose and more particularly in proof of the right of the Assignee or its nominees to claim the aforesaid benefit of the right of priority provided the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

Assignor covenants with Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that Assignor has full right to convey the same as herein expressed.

Signed this the 19 day of October, 2017.
