5 FURTHER ASSURANCES

- 5.1 The Assignor shall perform (or procure the performance of) all further acts and things, and execute and deliver (or procure the execution or delivery of) all further documents, required by law or which the Assignee reasonably requests to vest in the Assignee the full benefit of the right, title and interest in the Assigned IP assigned to the Assignee under this Assignment.

- 7.1 No failure or delay by a party to exercise any right or remedy provided under this Assignment or by law shall constitute a waiver of that or any other right or remedy, nor shall it preclude or restrict the further exercise of that or any other right or remedy. No single or partial exercise of that right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.
- 7.2 This Assignment constitutes the whole agreement between the parties and supersedes all previous agreements between the parties relating to its subject matter. In entering into this Assignment, each party acknowledges that it has not relied on, and shall have no right or remedy in respect of, any statement, representation, assurance or warranty (whether made negligently or innocently) other than as expressly set out in this Assignment. Nothing in this clause 7.2 shall limit or exclude any liability for fraud.
- 7.3 No variation of this Assignment shall be effective unless it is in writing and signed by the parties (or their authorised representatives).
- 7.4 If any court or competent authority finds that any provision of this Assignment (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed to be deleted, and the validity and enforceability of the other provisions of this Assignment shall not be affected. If any invalid, unenforceable or illegal provision of this Assignment would be valid, enforceable and legal if some part of it were deleted, the parties shall negotiate in good faith to amend that provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the parties' original commercial intention.
