Form of Confirmatory Grant of Security Interest in Intellectual Property

THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN PATENTS AND TRADEMARKS (this "Confirmatory Grant") is made effective as of September 20, 2017, by and from the grantor party hereto (the "Grantor"), to and in favor of NED SCHEETZ for himself and as collateral for the Investors (as defined in the Security Agreement referenced below) (the "Secured Party").

WHEREAS, iHear Medical, Inc., a Delaware corporation (the "Grantor"), the Investors from time to time party thereto, and the Secured Party are parties to that certain Note and Warrant Purchase Agreement dated as of September 20, 2017 (as amended, restated, supplemented, or otherwise modified from time to time, the "NWPA") pursuant to which the Investors agree, among other things, to extend to the Grantor certain credit accommodations.

WHEREAS, the Grantor has granted security interests to the Secured Party under the Security Agreement dated as of September 20, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, the Grantor owns the trademarks (the "Trademarks") listed on Exhibit A, which are registered or applied for with the United States Patent and Trademark Office; and

WHEREAS, the Grantor owns the patents (the "Patents") listed on Exhibit A, which are registered or applied for with the United States Patent and Trademark Office; and

WHEREAS, this Confirmatory Grant has been granted in conjunction with the security interest granted to the Secured Party under the Security Agreement. The rights and remedies of the Secured Party with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the NWPA, all terms and provisions of which are incorporated herein by reference. If any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the NWPA.

2) The Security Interest.

(a) This Confirmatory Grant is made to secure the performance and payment of all the Obligations. Upon the payment in full of all Obligations (other than contingent indemnification obligations), the Secured Party shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantor (at the Grantor's expense) all reasonably requested instruments releasing the security interest in the Trademarks and Patents acquired under this Confirmatory Grant.

(b) The Grantor hereby grants to the Secured Party a security interest in all of the Trademarks set forth in Exhibit A now owned or from time to time after the date hereof owned or acquired by the Grantor and all of the Patents set forth in Exhibit A now owned or from time to time after the date hereof owned or acquired by the Grantor;

(c) Unless and until an Event of Default occurs and is continuing, the Grantor shall retain the legal and equitable title to the Trademarks and Patents, and shall have the right to use and register the Trademarks and Patents in the ordinary course of the business of the Grantor.

[The remainder of this page has been intentionally left blank]

IN WITNESS WHEREOF, the Grantor has executed this Confirmatory Grant of Security Interest in Trademarks and Patents effective as of the date first written above.
