ASSIGNMENT OF INVENTION AND U.S. PATENT APPLICATIONS

WHEREAS, We, David S. Breed, having a mailing address of 800 West Avenue, Unit 545, Miami Beach, Florida 33139-5512, Wendell C. Johnson, having a mailing address of 839 S. Beacon Street, #5305, San Pedro, California 90733, and Wilbur E. DuVall, having a mailing address of P.O. Box 6310, Katy Texas 77491 (hereinafter referred to as the "Assignors"), have invented certain new and useful improvements in

INTRUSION-PROTECTED MEMORY COMPONENT

for which a nonprovisional application was filed in the U.S. Patent and Trademark Office on October 25, 2017 and assigned Ser. No. 15/793,313 (each of us hereby authorizes and requests our attorney to fill in the filing date and serial number of the application when known); and

WHEREAS, Intelligent Technologies International, Inc., of 800 West Avenue, Miami Beach, Florida 33139-5512 ("Assignee"), is desirous of obtaining the entire right, title and interest in, to and under the invention and the U.S. provisional and nonprovisional applications and any foreign applications claiming priority thereof, to the extent not already assigned by virtue of an assignment of U.S. provisional patent application Ser. No. 62/271,531 filed Dec. 28, 2015, and U.S. nonprovisional application Ser. No. 15/390,535 filed Dec. 25, 2016, which assignment was recorded at Reel 040762, Frame 0197; and

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to each of us in hand paid, and/or other good and valuable consideration, the receipt of which is hereby acknowledged, We, the Assignors, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention and the U.S. provisional and nonprovisional applications, any additional U.S. nonprovisional applications claiming priority thereof, all foreign applications claiming priority thereof, and all divisional applications, continuation applications and reissue applications of the U.S. nonprovisional application, and all patents of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for industrial property protection, including, without limitation, all application for patents, utility models and designs which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any

such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for the invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and

WE HEREBY authorize and request the Commissioner for Patents of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith; and

WE HEREBY further covenant and agree that we will communicate to the Assignee, its successors, legal representatives and assigns, any facts known to us respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all non-provisional, divisional, continuation and reissue applications, make all rightful oaths, and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention.

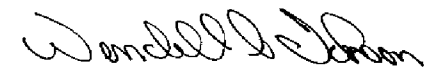

IN TESTIMONY WHEREOF, we have signed below with the day and year set forth opposite our signatures.
