ASSIGNMENT

Whereas, I, **Patrick Chang Dong Lee**, residing in **South Burlington, VT**, have invented one or more new and useful inventions and have filed therefor United States Nonprovisional Patent Application Serial No. 15/569,655, having a National Stage entry date of October 26, 2017, which application is a U.S. National Stage of PCT International Application No. PCT/US16/30207, filed on April 29, 2016, entitled "Self-Stressing Engineered Composite Materials, Methods of Self-Stressing Engineered Composite Materials, and Self-Stressing Reinforcement for Same" (hereinafter, "Application(s)");

And whereas, **The University of Vermont and State Agricultural College**, having a place of business at Given Building E201, 89 Beaumont Avenue, Burlington, VT 05405 (hereinafter called Assignee), desires to acquire the entire right, title and interest in the Application(s) and all inventions disclosed therein, and to any United States and foreign patents to be obtained therefor, and to any United States, international, and foreign patent applications to be filed thereon;

Now therefore, for good and valuable consideration, receipt whereof is hereby acknowledged, I, the above-named inventor hereby sell, assign, and transfer to Assignee, its successors and assigns, and confirm any previous assignments made by me for, the entire right, title and interest in the Application(s) and inventions therein disclosed for the United States and foreign countries, including all provisional applications relating thereto, all divisional applications, renewal applications, continuation applications, continuation-in-part applications, and design applications thereof, and all issued patents which may have been granted or may be granted hereafter thereon, and all reissues, renewals, reexaminations, and extensions to any of the foregoing and all patents issuing thereon, and all rights of priority resulting from any of the foregoing.

And I hereby agree that Assignee may file one or more international applications and apply for foreign Letters Patent on said inventions; and I request the Commissioner for Patents of the United States Patent and Trademark Office and the authorized official in each respective foreign patent office to issue any Letters Patent granted upon the inventions set forth in the Application(s) to Assignee; and I will execute all papers necessary in connection with the United States, international, and foreign applications when called upon to do so by Assignee.

I, the above-named, hereby covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.

I hereby authorize Downs Rachlin Martin PLLC to insert into this Assignment in the blank spaces appearing above, respectively, the application serial number of the U.S. National Stage Application of the above-identified PCT application.

Executed at Burlington (city/town), VT (state/country),
this 25 day of October, 2017.
