ASSIGNMENT

to

The University of Washington
Seattle, Washington

WHEREAS, Minoru Taya has made a certain invention in FERROMAGNETIC SHAPED MEMORY ALLOY NANO-ACTUATOR AND METHOD OF USE for which Minoru Taya has executed an application for Letters Patent filed in the U.S. Patent Office, the specification of which was filed on April 28, 2016, as International Application No. PCT/US2016/029883; and we hereby authorize the attorneys of the firm of Christensen O'Connor Johnson Kindness^{PLLC}, 1201 Third Avenue, Suite 3600, Seattle, Washington 98101, to insert here in parentheses (now Application No. 15/569680) the application number of said application when known;

WHEREAS, the University of Washington, a public institution of higher education having a place of business at Seattle, Washington, is desirous of acquiring an interest in said invention and in any patent or patents to be obtained therefor;

NOW, THEREFORE, for sufficient, good, and valuable consideration, the receipt of which is hereby acknowledged, Minoru Taya hereby sells, assigns, and transfers unto the University of Washington the entire right and title to and interest in said application and said invention for the United States of America and its territorial possessions and all foreign countries, and the entire right and title to and interest in any and all letters patents which may be granted therefor in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues, and continuations thereof;

And Minoru Taya further covenants and agrees that Minoru Taya will, at the request and expense of said University of Washington, execute such other and further assurances of title as may be necessary or proper to fully convey the interest herein sought to be conveyed; that Minoru Taya will, at the request and expense of said University of Washington, execute such application papers as may be desired by said University of Washington for the filing of any continuation, division, or renewal of the application herein conveyed, or for reissues or extensions of any Letters Patent that may be granted upon said application, and will execute such supplemental oaths and preliminary statements or other papers as desired by said University of Washington.

And Minoru Taya further assigns unto said University of Washington the entire right and title to and interest in said invention throughout all countries foreign to the United States, and does hereby authorize said University of Washington to apply for international patents and patents therefor in its own name in countries where such procedure is proper and to claim the benefit of the International Convention, and does agree to execute applications for said invention in the several countries where it is necessary that the same be executed by the inventors and to
