## **ASSIGNMENT**

WHEREAS, DERRICK RATLIFF, a citizen of the United States of America, 4601 Hidden Springs Way, College Station, TX 77845, hereinafter called the "Assignor", has made the invention disclosed in United States Provisional Patent Application No. 62/275,553, entitled **ADJUSTABLE ATTACHMENT SYSTEM FOR WEAPON ACCESSORIES**, filed January 6, 2016, and United States Patent Application No. 15/400578, entitled **ADJUSTABLE ATTACHMENT SYSTEM FOR WEAPON ACCESSORIES**, filed January 6, 2017; and

WHEREAS, RATLIFF TRADITIONS, LLC, a limited liability company organized and existing under the laws of the State of Texas, and having a mailing address of P.O. Box 667, Shiner, Texas 77984-0667, hereinafter called the "Assignee," desires to acquire the entire right, title and interest within the United States of America and elsewhere throughout the world in and to said invention and the patent applications identified above, including any and all divisions and continuations thereof and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereof, and further including, any provisional application to which the above may claim priority.

NOW, THEREFORE for valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest within the United States in and to said invention and the patents and patent applications identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefor in all countries and territories foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above and any provisional application to which any of the patent applications defined above may claim priority; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term and terms for all such patents.

AND said Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the prosecution of the patents and patent applications identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor will execute and deliver to the Assignee any and all instruments as may be requested by Assignee or otherwise necessary to carry out the terms of this Assignment.

AND said Assignor authorizes and requests the Commissioner of Patents to issue Letters Patent on each such application, and on any and all divisions and continuations thereof, to said Assignee, its assigns and legal representatives, in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, this Assignment is executed by said Assignor, on the date listed below.
