PATENT, INVENTION AND TECHNOLOGY ASSIGNMENT

For and in consideration of the sum of ten dollars in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, **PATRICK COBB**, an individual having an address at 8410 Papelon Way, Jacksonville, Florida 32217 (“ASSIGNOR”) has forever, irrevocably and unconditionally sold, assigned, transferred and conveyed, and does hereby forever, irrevocably and unconditionally sell, assign, transfer and convey unto **COASTAL INDUSTRIES, INC.**, a Florida corporation having an office located at 3700 St. Johns Industrial Parkway West, Jacksonville, Florida 32246, and its successors, assigns, and legal representatives (“ASSIGNEE”), the entire right, title and interest for the United States of America and all other jurisdictions worldwide in and to all ideas, inventions, improvements, methods and processes and all patents and patent applications therefor identified and described in the following United States patent applications: (1) United States Provisional Patent Application Serial No. 61/990,770, filed on May 9, 2014; (2) United States Provisional Patent Application Serial No. 62/067,944, filed on October 23, 2014; and (3) United States Provisional Patent Application Serial No. 62/116,767, filed on February 16, 2015 (collectively, the “Applications”), together with the entire right, title and interest in and to said Applications, and any non-provisional, division, extension, continuation, continuation-in-part, reissue, reexamination, or related applications thereof, and in and to any and all Letters Patent which may be issued upon said Applications or upon any subsequent applications and non-provisional, division, extension, continuation, continuation-in-part, reissue, reexamination, or related applications thereof. The foregoing sale, assignment, transfer and conveyance further includes all ideas, inventions, improvements, methods and processes disclosed and/or claimed in the foregoing patent Applications and related applications, and all other related ideas, inventions, improvements, methods, and processes owned or invented by ASSIGNOR.

ASSIGNOR forever, irrevocably and unconditionally also sells, assigns, conveys and transfers unto ASSIGNEE, the entire right, title and interest in and to the above-identified ideas, inventions, improvements, methods and processes and in and to all applications for Letters Patent therefore, and all Letters Patents issuing therefrom, in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said invention and said applications for Letters Patent in foreign countries, and ASSIGNOR further authorizes ASSIGNEE to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the said applications for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

ASSIGNOR hereby authorizes and requests the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid applications, and any division, extension, continuation, reexamination, reissue and all related applications, to ASSIGNEE, for

the sole use and behalf of ASSIGNEE, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by ASSIGNOR had this assignment not been made, and ASSIGNOR hereby authorizes and requests the equivalent authorities in foreign countries to issue the patents of their respective countries to ASSIGNEE. This sale, assignment, transfer and conveyance also includes all past, present and future claims for infringement and other violations which could have been brought in ASSIGNOR'S name or with others.

ASSIGNOR covenants and agrees that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this sale, assignment, transfer and conveyance.

ASSIGNMENT

Florin Poenariu, residing in Jacksonville, FL, U.S. and

William M. Cobb, Jr., residing in Jacksonville, FL, U.S.

hereafter called "the Assignor(s)", have made certain inventions and discoveries which are described in the patent specification entitled:

ADJUSTABLE DOOR ASSEMBLY FOR A SHOWER ENCLOSURE AREA

for the specification of which was filed on **February 16, 2016** as Application No. **15/044,870**

Whereas, COASTAL INDUSTRIES, INC., having offices and doing business at 3700 St. Johns Industrial Parkway W, Jacksonville, FL 32246, United States hereafter called "the Assignee", is desirous of acquiring the title, rights, benefits and privileges recited below, and of confirming the same or any part thereof heretofore acquired by Assignee:

Now, this indenture witnesses that for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby do assign the entire right, title and interest in and to said inventions and discoveries, said application for Letters Patent of the United States of America, and any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all Utility, Non-Provisional, divisional, renewal, substitute, continuation and PCT Convention applications based in whole or in part upon said inventions or discoveries or upon said applications, and any and all Letters Patent, utility models, design registrations, reissues and extensions of any Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent.

I hereby authorize Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in our names or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or otherwise;

I authorize and request the Commissioner of Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein or otherwise as the Assignee may direct.

I warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that I have good right to assign the same to Assignee without encumbrance;

I hereby covenant and agree and bind our respective heirs, legal representatives and assigns to sign all papers and drawings, take all rightful oaths, execute all rightful affidavits, and do all acts necessary or required to be done for the procurement and maintenance of Letters Patent or other form of protection for said invention in the United States and foreign countries, and for further vesting or confirming the right and title thereto in the Assignee, its successors, assigns or nominees, without charge to or additional consideration from said Assignee, its successors, assigns or nominees.

The undersigned declare under penalty of perjury under the laws of the United States of America that they have signed this document as their own free act and that all of the foregoing is true and correct.
