PATENT ASSIGNMENT

Serial No. 13/450,508
Patent No. US 9,661,933 B2
File date: 19 April, 2012

Attorney Docket No.: 21668_135

As the below named inventor, I declare that this declaration and assignment is directed to the referenced United States patent number US 9,661,933 B2, filed on April 19, 2012. I believe that I, along with co inventors named on the above referenced patent, am the original inventor or an original joint inventor of the subject matter which is claimed and for which a patent is granted. I have reviewed and understand the contents of the above-identified patent, including the claims. I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR 1.56.

Whereas Norix Group, Inc. of 1800 W. Hawthorne Ave., Suite N, West Chicago, IL 60185 desires to acquire the entire right, title and interest in my invention, including the right to enforce the patent against others for past and present infringement.

In consideration of good and valuable considerations, the receipt of which is hereby acknowledged, I hereby assign to:

Norix Group, Inc.
1800 W. Hawthorne Ave.,
Suite N,
West Chicago, IL 60185

hereinafter referred to as ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in my invention as described and claimed in the US patent referenced above for:

INTENSIVE USE BED

and in any Letters Patent that may be granted upon reissue, extension, division or continuation application or applications therefrom. I hereby also assign the right to enforce the above referenced patent including the right to bring enforcement proceedings seeking injunctive, monetary and/or other relief, in a court of proper jurisdiction, for past and present infringement activities. I hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said ASSIGNEE.

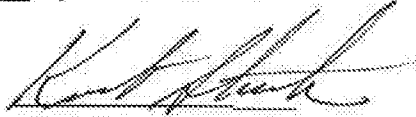

For said considerations, I hereby agree, upon the request of said ASSIGNEE, its successors, legal representatives and assigns, to execute any and all divisional, continuation and renewal applications for said invention, and any necessary oath or supplemental oath or affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters

21668_135

Patent that may be granted upon any of said applications, that said ASSIGNEE, its successors, legal representatives or assigns, may deem necessary or expedient; and for the said considerations, I further agree, upon the request of said ASSIGNEE, its successors, legal representatives or assigns, in the event that any such application or Letters Patent becomes involved in litigation or an interference or other proceedings, to cooperate to the best of my ability with said ASSIGNEE, its successors, legal representatives or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and I hereby agree to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein in said ASSIGNEE, its successors, legal representatives and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment had not been made.

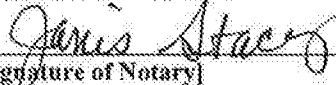

And for the said considerations, I hereby assign to said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in said invention for any and all foreign countries and agree upon the request of said ASSIGNEE, its successors, legal representatives and assigns, to execute any and all documents that shall be required of me to be executed in connection with any and all applications for foreign Letters Patent therefore, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said ASSIGNEE.

WITNESS my hand and seal this 30 day of October, 2017

Kurt Saskon, Inventor
Orland Park, IL

Subscribed and sworn to
before me, this 30 day of
