App. No. 62/312,819

and in the above-referenced nonprovisional and provisional patent applications of the United States of America based thereon as a result of an assignment by Timothy J. Berg;

AND WHEREAS, The Toro Company, a corporation organized and existing under and by virtue of the laws of the state of Delaware, having an office and place of business at 8111 Lyndale Avenue South, Bloomington, MN 55420-1196, USA, (hereinafter referred to as "ASSIGNEE"), wishes to acquire the entire right, title, and interest in and to said invention(s) and said applications and to any foreign and U.S. Letters Patent(s) to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the UNDERSIGNED has agreed to assign and transfer and does hereby assign and transfer unto ASSIGNEE, its successors and assigns, the UNDERSIGNED's entire right, title, and interest in and to said invention(s) and applications, and in and to any division, continuation (in whole or in part), of said applications, and in and to any and all improvements in said invention(s) made by Timothy J. Berg, individually or jointly with others, and in and to any and all Letters Patent(s), reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patents, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any, divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said invention(s) or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by UNDERSIGNED had this assignment and transfer not been made;

THE UNDERSIGNED hereby agrees that the UNDERSIGNED, its successors, and legal representatives will make, execute, and deliver (without charge but at the expense of the ASSIGNEE) any and all other instruments in writing including any and all further application papers, affidavits, assignments, and other documents, and will communicate to said ASSIGNEE, its successors and assigns all facts known to the UNDERSIGNED relating to said invention(s) and the history thereof and will testify in all legal proceedings and generally do all things deemed necessary or desirable by the ASSIGNEE to vest in the ASSIGNEE, its successors or assigns, the entire right, title, and interest in and to said invention(s), applications, and Letters Patents, including all benefits, privileges, and advantages, that are hereby sold, assigned and conveyed, or intended so to be;

THE UNDERSIGNED represents and agrees with the ASSIGNEE, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the UNDERSIGNED, and that full rights to convey the same as herein expressed are possessed by the UNDERSIGNED;

AND THE UNDERSIGNED hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patents which may be granted upon any of said applications, to The Toro Company as the assignee of the UNDERSIGNED'S entire right, title, and interest therein.
