**ASSIGNMENT**

**WHEREAS**, Pepin Sebastian Gelardi, an individual ("Assignor"), is an inventor of the new, original, and ornamental designs in the U.S. design patent applications entitled "Shower Filter Base" and "Shower Filter," and identified by attorney docket numbers "3176-00001-Design" and "3176-00001-Design2," respectively, and

**WHEREAS**, Molecule Shower Filter LLC, a Delaware Limited Liability Company ("Assignee"), located and doing business at 135 West 118th Street, New York, New York 10026, is desirous of acquiring the right, title, and interest in, to, and under said patent applications:

**NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN**, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over to Assignee all rights to the pending patent applications aforesaid and the invention(s) described therein, and the entire right, title, and interest therein, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assignees, or any other legal representatives, to the end of the term or terms for said pending U.S. patent applications, and any continuations, divisionals, continuations-in-part, and foreign counterparts, claiming priority to said applications, and any reissued patents or reexamined patents evolving therefrom, and all rights of priority under international conventions in connection therewith, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor hereby authorizes and requests that the Commissioner of Patents and Trademarks of the United States, and any Official of any county or countries foreign to the United States where said applications are filed, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications, to issue the same to the Assignee, its successors, legal representative and assigns, in accordance with the terms of this instrument.

04 / 14 / 2016

Assignor further agrees to: (a) cooperate with Assignee in the prosecution of the applications and foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the patents for the invention in any and all countries.
