(hereinafter referred to as "ASSIGNORS"),

have invented certain new and useful improvements in an **SYSTEM AND METHOD FOR CORNEAL TOPOGRAPHY WITH FLAT PANEL DISPLAY** for which we have filed an application for Letters Patent in the United States, **Application No. 14/788569**, filed on **June 30, 2015**; International PCT Application No. **PCT/US2015/038702**, filed **June 30, 2015**; and U.S. Provisional **Application No. 62/019763**, filed on **July 1, 2014**,

AND WHEREAS, **AMO WAVEFRONT SCIENCES, LLC**, (hereinafter "ASSIGNEE"), a Delaware limited liability company, with postal address of 1700 E. St. Andrew Place, Santa Ana, California, 92705, desires to acquire the entire right, title, and interest in and to the said improvements and the said Application.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, said inventors, do hereby acknowledge that we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives, and assignees, the entire right, title and interest throughout the world in, to, and under the said improvements, and the said patent application and all provisional applications relating thereto, and all divisionals, renewals, and continuations thereof, and all Letters Patents of the United States which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we/I hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE DO HEREBY sell, assign, transfer, and convey to ASSIGNEE, his successors, legal representatives, and assignees all claims for damages and all remedies arising out of any violation of the rights assigned hereby that may have accrued prior to the date of assignment to ASSIGNEE, or may accrue hereafter, including, but not limited to, the right to sue for, collect, and retain damages for past infringements of the said Letters Patent before or after issuance.

AND WE HEREBY covenant and agree that we/I will communicate to the said ASSIGNEE, its successors, legal representatives, and assignees, any facts known to us/me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assignees, to obtain and enforce proper patent protection for said improvements in all countries.
