ASSIGNMENT

Pursuant to our obligation to The University of Chicago (hereinafter referred to as "Assignee"), an Illinois not for profit corporation having its principal place of business at 5801 South Ellis Avenue, Chicago, Illinois 60637, and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, we:

Rustem Ismagilov
525 S. Catalina Avenue
Pasadena, CA 91106

Joshua David Tice
610 W. Stoughton Street
Apartment #7
Urbana, IL 61801

Helen Song
1172 Goldfinch Lane
Antioch, IL 60002

confirm that we have sold, assigned, and conveyed unto Assignee, or to the extent we have not yet sold, assigned or conveyed, we do hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest -

(1) in and to an invention entitled "**DEVICE AND METHOD FOR PRESSURE-DRIVEN PLUG TRANSPORT AND REACTION**" for which we have executed United States Non-Provisional Application 11/589,700 filed October 30, 2006, and International Application PCT/US2003/014794 filed May 9, 2003 which claims the benefit of priority of United States Provisional Patent Application Serial No. 60/379,927 filed May 9, 2002.

(2) in and to said United States patent applications, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and

reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted. The effective date of this Assignment is May 9, 2002;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of my Assignee with a claim to priority based on said United States application.

And we hereby agree that we will, upon request of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
