ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, the undersigned, **JEFFREY STEEL** does hereby sell, assign, and transfer to: **COTAPAXI CUSTOM DESIGN AND MANUFACTURING LLC**, a Delaware limited liability company, having a place of business at 338 Hackensack St, Carlstadt, NJ 07072 ("Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in the application for United States Patent, which was filed on September 27, 2017, and assigned Serial No. 29/619,208.

and is entitled: **CONTAINER** and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of said United States application; and

Agrees that said Assignee may apply for and receive patent for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications to patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Represents and warrants to Assignee, its successors, assigns and legal representative that no assignment, grant mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
