INTELLECTUAL PROPERTY ASSIGNMENT

WHEREAS the undersigned inventors (collectively, the "Assignors" and each, an "Assignor"), in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, intend by this instrument to assign, transfer, convey and set over to Bitnobi Inc., a corporation incorporated under the federal laws of Canada (the "Assignee"), whose principal office or place of business is MaRS Center, West tower, 661 University Ave., Suite 465, Toronto, Ontario M5G 1M1, all of the Assignors rights, title and interest in and to the invention(s) (the "Inventions") described in the patent applications listed below:

1. Canadian Patent Application No. 2,855,136, entitled Systems and Methods of Precision Sharing of Big Data and having a filing date of 23 June 2014;
2. U.S. Patent No. 9,590,992, entitled Systems and Methods of Precision Sharing of Big Data and having a filing date of 23 June 2014; and
3. U.S. Patent Application (continuation application) 15/415,713, entitled Systems and Methods of Precision Sharing of Big Data and having a filing date of 25 January 2017;

AND WHEREAS the Assignee wishes to acquire all the Assignors rights, title and interest in and to the Inventions and to:

- a) all patent applications which may be filed for the Invention(s), including International Applications under the Patent Cooperation Treaty;
- b) all Letters Patent which may be granted or issued for the Inventions;
- c) any divisions, continuations, renewals, prolongations, reissues and extensions of such patent applications and Letters Patent;
- d) all associated international priority rights;
- e) the right to file and prosecute such applications; and
- f) any and all patents which have been or may be granted by any country based either in whole or in part on the Inventions of the patent applications and Letters Patent

in all countries of the world, including the United States (collectively the "Patents");

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, each Assignor sells, assigns, and conveys to the Assignee, its successors and assigns, all of each Assignor's right, title and interest in and to the Inventions and the Patents, including all right, interest, choses in action and rights of recovery and damages for past infringement together with all benefits of application and registration and all goodwill, the same to be held and enjoyed by the Assignee as the assignee to the full end of the term for which the patents are granted, as fully and entirely as the same could have been held and enjoyed by the Assignors if this sale, transfer, conveyance and assignment had not been made;

Each Assignor authorises and requests the Commissioner of all duly constituted authorities of all countries of the world, including the Commissioner of Patents of the United States and the Commissioner of Patents of Canada to issue the Patents to the Assignee, its successors and assigns, in accordance with the terms of this Assignment;

Each Assignor has covenanted, and hereby covenants that it has the right to grant the rights and assume the obligations of this Assignment and that it has not executed, and will not execute, any agreement in conflict with this Agreement;

Each Assignor hereby authorizes CHUMAK & COMPANY LLP and its members to enter or insert on this Assignment any further indication which may be necessary to comply with the requirements of the Intellectual Property Office in any jurisdiction for its recordal in respect of any of the aforementioned applications or patents;

Each Assignor agrees that it will, promptly on request and without further consideration, communicate and co-operate fully with the Assignee, its successors and assigns in all matters pertaining to the Invention(s) and the Patents including:

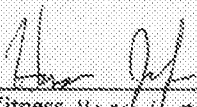

- a) the provision of all facts known and documents available to the Assignor relating to Inventions and Patents (including the histories thereof);
- b) the provision of oral and documentary evidence in any legal or administrative proceedings; and
- c) the execution of assignments, patent applications and any other documents which may be lawfully required by the Assignee or its successors or assigns

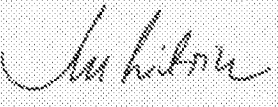

that, in the opinion of the Assignee, its successors and assigns, are desirable to file, prosecute, maintain or enforce the Patents, and for perfecting and maintaining the title to the Patents of the Assignee, its successors and assigns in all countries of the world, including Canada and the United States of America.
