ASSIGNMENT

This confirmatory assignment agreement ("Assignment") pertains to the Joint Development Agreement dated May 5, 2009 ("Agreement") between Givaudan SA, a Swiss company having a place of business at 5, Ch. De La Parfumerie, Vernier, Switzerland 1214 ("Assignor") and COGNIS GMBH and its successors (BASF Personal Care and Nutrition GmbH, a German company having a place of business at Rheinpromenade 1, Monheim 40789 Germany) and assigns (collectively "Assignee"), under which the ownership of U.S. Patent Application No. 15/523,953 has been allocated, and is effective as of the same date of the Agreement.

For good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor hereby memorializes and confirms the Agreement to Assignee and its successors, assigns and legal representatives, of Assignor's entire right, title and interest, both legal and equitable, throughout the world, for U.S. Patent Application No. 15/523,953 including all continuations, divisionals and continuations-in-part of any of the foregoing, patents issuing from any of the foregoing, and reissues, substitutes, renewals, reexaminations, supplemental examinations, inter partes reviews, oppositions, post-grant reviews, and foreign equivalents thereof and supplementary protection certificates or other extensions allowed on any of the foregoing, including without limitation to claim priority benefit of or to said patent applications for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Agreement and sale had not been made; together with all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patent Rights, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Nothing in this Assignment shall amend, modify or otherwise affect the terms or conditions of the Agreement, which remains in full force and effect on the terms and conditions stated therein.
