This Assignment is directed to:

- the application attached hereto.
- United States Application Number 15/696,472, filed on September 6, 2017.

WHEREAS, Otter Products, LLC of 209 South Meldrum Street, Fort Collins, Colorado, 80521, its heirs, successors, legal representatives, and assigns (the Assignee) is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any Letters Patent(s) that may be granted therefor in the United States of America and in any foreign countries;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, any and all rights of Jeremy L. Dennis (the Inventor) in and to the above identified patent application and any interest in and to any and all Letters Patent(s) which may be granted therefor in the United States of America, its territories, dependencies, and possessions, and in any and all foreign countries are hereby assigned and transferred to Assignee, including any and all rights and interest to any and all divisions, reissues, continuations, conversions, and extensions thereof for the full term or terms for which the same may be granted; and to any right of priority including the right to claim any priority benefit of or to the application and to any and all divisions, reissues, continuations, conversions, and extensions thereof.

I authorize and request the United States Patent and Trademark Office and/or patent authorities in any foreign countries to issue any and all Letters Patent(s) resulting from said application or any continuing, divisional, conversion, or reissue application(s) thereof to said Assignee, as assignee of the entire interest.

I grant Assignee the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office and/or any patent authority in any foreign countries for recordation of this document.

This Assignment is executed by Otter Products, LLC, on behalf of the Inventor as agent for the Inventor as expressly designated in Section 12 of the Employee Confidentiality, Non-Competition and Intellectual Property Assignment Agreement executed by the Inventor on January 14, 2016.
