**ASSIGNMENT**

Jerrold M. Dobbins, residing at 9374 S. Black Cat Road, Kuna ID 83634, a citizen of the United States of America and Gerald Dobbins, residing at 7800 Bedford Court, Nampa, ID 83687, a citizen of the United States of America (hereafter jointly and severally referred to as the undersigned), are the inventors of

GAS GOVERNOR, SNATCH GRIP, AND LINK PIN FOR PAINTBALL GUN  
for which the undersigned have executed an application for United States Letters Patent, U.S. Patent Application No. 11/352,639, filed February 13, 2006.

The undersigned hereby authorize assignee or assignee's representative to insert the Application Number and the filing date of this application if they are unknown at the time of execution of this assignment.

National Paintball Supply, Inc., a Delaware corporation, having a principal place of business at 570 Mantua Boulevard, Sewell, N.J. 08080, (hereafter referred to as the assignee), is desirous of acquiring the entire right, title and interest in said invention, all applications for and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, do hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest in said invention and all patent applications thereon, including, but not limited to, the provisional application for United States Letters Patent entitled as above, and all non-provisional applications claiming the benefit thereof, and divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

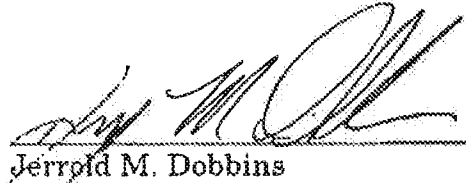

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrants that the rights and property herein conveyed are free and clear of any encumbrance.
