ASSIGNMENT OF PATENTS

The undersigned, Coach, Inc., a Maryland corporation having its principal place of business at 10 Hudson Yards, New York, NY 10001 ("Assignor"), for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, received from Coach IP Holdings LLC, a Delaware company having its principal place of business at 10 Hudson Yards, New York, New York 10001 ("Assignee") on this 3rd day of October 2017 ("Effective Date") does hereby irrevocably assign, transfer and convey, free from all restrictions and limitations, to Assignee and Assignee's successors and assigns forever, and Assignee hereby acquires from Assignor, all of Assignor's right, title and interest to:

All worldwide patents, patent applications, invention disclosures, and all related continuations, continuations-in-part, divisionals, reissues, re-examinations, substitutions, and extensions thereof, including but not limited to those forth on the attached Schedule A (the "Assigned Patents").

Assignee shall have the right and be entitled in and/or under the laws of any country and jurisdiction, to (i) initiate and/or continue any action, suit, litigation, arbitration or other proceeding of any kind, and seek, enforce, and benefit from any right, remedy and/or award, in connection with the Assigned Patents, or any infringement, theft or violation thereof, whether such rights, remedies or infringement are based on any acts, omission or conduct prior to, on, or after the Effective Date, and (ii) file, continue, discontinue, prosecute, or abandon any patent application and any application for registration of any Assigned Patents, and (iii) obtain, maintain, abandon, cancel, or let expire any patent and registration of any Assigned Patents.

If and to the extent requested by Assignee, Assignor shall cause, and hereby authorizes, the relevant Patent Office for each country or territory set forth in Schedule A to record Assignee as the sole and exclusive owner of any application, patent and/or registration covering the Assigned Patents, and to issue any patent, registration, certificate, document, or process in such country or jurisdiction, or issue process, presently pending or existing in the future, for any such application, patent and/or registration in the name and for the benefit of Assignee only.
