ASSIGNMENT

(World)

WHEREAS,

Nicholson Intellectual Property, Inc.

hereinafter referred to as the "Assignor", whose full post office address is

200, South Orcas Street, Seattle, Washington 98108, U.S.A.,

is owner of the patent applications and patents listed in Schedule A attached hereto, hereinafter referred to as the "Patents";

AND WHEREAS,

Kadant Northern U.S. LLC

hereinafter referred to as the "Assignee", whose full post office address is

One Technology Park Drive, Westford, Massachusetts 01866, U.S.A.,

desires to acquire the Assignor's entire right, title and interest in and to the Patents;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor confirms that it has, as of July 5, 2017 sold, assigned, transferred and set over, and for greater certainty, does hereby sell, assign, transfer and set over to the Assignee, its successors, assigns, or legal representatives, its entire right, title and interest for Canada, the United States and all other countries throughout the World in and to the Patents, together with its entire right, title and interest in and to any and all Letters Patents that may issue for the Patents, including any and all divisions, reissues, continuations and extensions thereof, to the full end of the term for which each of said Letters Patents may be granted, and including any right to claim priority based on the Patents, and including all damages for infringement of any of the Patents accruing on and after the date hereof and the sole right to sue therefor, the same to be held and enjoyed as fully and completely as the same would have been held and enjoyed by the Assignor had this Assignment not been made;

AND the Assignor, on behalf of itself and its executors and administrators, does hereby covenant and agree to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications and other instruments as may reasonably be required by the Assignee, its successors, assigns, or legal representatives, to obtain any and all Letters Patents for the Patents and vest the same in the Assignee, its successors, assigns, or legal representatives;

AND the Assignor, on behalf of itself and its executors and administrators, does hereby authorize the Assignee, its successors, assigns, or legal representatives to amend this Assignment to insert or correct the filing date, serial number or other identifying information of the Patents as may be needed to record this Assignment.

AND the Assignee does hereby accept this assignment.

IN WITNESS WHEREOF, the Assignor and Assignee have caused this Assignment to be executed by its duly authorized representatives.
