**ASSIGNMENT OF INVENTION(S),
PATENT APPLICATION(S) AND PATENT(S)**

In consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned ("Assignor") hereby formally sells, assigns, transfers and conveys to Magic Dirt LLC, an Arkansas limited liability company, and to its successors, assigns and legal representatives (collectively, "Assignee") all of Assignor's right, title and interest in and to the following:

1. U.S. Utility Patent Application No(s). 15/201,738,
currently titled "Soil Conditioners and Method of Making Them";
2. the invention(s) described in said application(s) and protected by said patent(s), or described in any disclosure, including (without limitation) any improvement(s) thereof (collectively the "Inventions"); and
3. all other rights and property arising out of or related to any of the above, including (without limitation) any and all divisional applications, continuation applications, continuation-in-part applications, continued prosecution applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions and all other related matters in the patent office of the United States or any foreign country.

Assignee may apply for and receive one or more patents for any of the Inventions, in Assignee's own name; when requested, Assignor will cooperate (without charge, but at Assignee's expense) in the prosecution of any such application, including (without limitation) executing all declarations, assignments, power of attorneys and other papers, communicating to Assignee all facts known to Assignor relating to any of the Inventions, and generally assisting Assignee in securing and maintaining patent protection for the Inventions and vesting title therein with Assignee.
