## PATENT ASSIGNMENT AND ASSUMPTION AGREEMENT

November 17, 2017

THIS PATENT ASSIGNMENT AND ASSUMPTION AGREEMENT (this “Assignment and Assumption Agreement”), dated as of the date first written above (the “Effective Date”), is made and entered into by and between **ERMC IV, L.P.**, a Tennessee limited partnership (“Assignor”) and **ERMC Aviation LLC**, a Delaware limited liability company (“Assignee”). Each of Assignor and Assignee may be referred to herein individually as a “Party” and collectively as the “Parties.”

### RECITALS:

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement (the “Purchase Agreement”), dated as of November 17, 2017, pursuant to which Assignee has purchased certain assets owned or held for use by Assignor; and

WHEREAS, pursuant to the Purchase Agreement, Assignor has agreed to assign certain rights and agreements to Assignee, and Assignee has agreed to assume certain obligations of Assignor, in each case on the terms and subject to the conditions set forth therein;

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants contained herein, and for other good and valuable consideration, the receipt, adequacy and legal sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

Section 1. Capitalized Terms. Capitalized terms, unless otherwise defined herein, shall have the respective meanings ascribed to them in the Purchase Agreement.

Section 2. Assignment and Assumption. Assignor does hereby assign, grant, transfer, contribute, deliver and set over to Assignee the full, exclusive and entire right, title, and interest in and to any and all patents and patent applications listed on Exhibit A attached hereto, to the full extent of the scope of use thereof, together with the goodwill of the business connected with the use of and symbolized by said patents and patent applications (the “Patents”).

Section 3. Recordings. An executed copy of this Assignment and Assumption Agreement may be filed with the U.S. Patent and Trademark Office by Assignee at any time.

Section 4. Terms of the Purchase Agreement. The Parties acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby, but shall remain in full force and effect to the extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

Section 5. Further Actions. Each of the Parties covenants and agrees, at its own expense, to execute and deliver, at the request of any other Party, such further instruments of transfer and assignment and to take such other action as such other Party may reasonably request

Section 5. Further Actions. Each of the Parties covenants and agrees, at its own expense, to execute and deliver, at the request of any other Party, such further instruments of transfer and assignment and to take such other action as such other Party may reasonably request to more effectively consummate the assignments and assumptions contemplated by this Assignment and Assumption Agreement.

Section 6. Governing Law. This Assignment and Assumption Agreement shall be governed by and construed in accordance with the Laws of the State of Delaware without regard to its rules of conflict of Laws. Any controversy, claim, or question of interpretation in dispute between the Parties arising out of or relating to this Assignment and Assumption Agreement or the breach thereof shall be brought before the Delaware Court of Chancery (or, if such court lacks jurisdiction of the subject matter, the United States District Court for the District of Delaware) and any appellate court thereof. This Assignment and Assumption Agreement may not be amended, modified or supplemented except by written agreement of the Parties.

Section 7. Successors and Assigns. No assignment or transfer by any Party of such Party's rights and obligations under this Assignment and Assumption Agreement will be made except with the prior written consent of the other Parties to this Assignment and Assumption Agreement; provided that Assignee shall, without the obligation to obtain the prior written consent of Assignor, be entitled to assign this Assignment and Assumption Agreement or all or any part of its rights or obligations hereunder to one (1) or more Affiliates of Assignee. This Assignment and Assumption Agreement shall be binding on, and inure to the benefit of, the Parties, their respective successors in interest and their respective assigns.

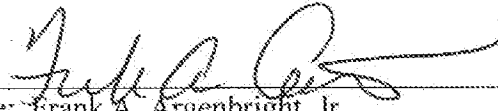

Section 8. Counterparts. This Assignment and Assumption Agreement may be executed in mutual electronically delivered counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute the same Assignment and Assumption Agreement.
