ASSIGNMENT

For valuable consideration, we, **DAMIEN REYNOLDS**, of Huntington Beach, California 92646, and a citizen of the United States of America, and **DOUGLAS MILSOM**, of Tacoma, Washington 98403, and a citizen of the United States of America, and **VINCENT GIOSA**, of Bristol, Pennsylvania 19007, and a citizen of the United States of America, (hereinafter referred to as "Assignors"), hereby assign to **BEHR PROCESS CORPORATION**, a corporation organized and existing under and by the virtue of the laws of the State of California, and having a place of business located at 3400 W. Segerstrom Avenue, Santa Ana, California 92704, and its successors and assigns (hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements which are the subject of, or disclosed in, a United States Provisional Patent Application entitled "**PAINT YOUR PLACE APPLICATION FOR OPTIMIZING DIGITAL PAINTING OF IMAGE**," Serial Number 62/134,250, filed March 17, 2015, and any and all related applications and patents, this assignment including said application, and any United States Utility Patent Applications claiming priority thereto, and any and all United States and foreign patents granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part and extensions thereof, and the right to claim priority based on the filing date of said application and based on the filing date of any provisional and other application of which said application claims the benefit under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements; and we agree for ourselves and our heirs, legal representatives and assigns, without further compensation, upon request to perform such lawful acts as may be necessary to assist in filing or prosecuting any such application, to promptly provide Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to us, to testify in any interference or litigation related to said invention or application and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate

fully this Assignment. We further agree that the Assignee may enter the serial number and filing date of said United States Provisional Patent Application in the appropriate blanks above after filing thereof with the United States Patent and Trademark Office.

The Assignors hereby covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Agreement.
