ASSIGNMENT

Whereas Paradigm Geophysical (Luxembourg) S.A.R.L. (Assignor), located at 2-8 Avenue Charles De Gaulle, L-1653 Luxembourg, Grand-Duchy of Luxembourg is an owner of a one-half undivided interest in any and all inventions disclosed (including but not limited to those which are disclosed but not claimed) in the application for United States Patent U.S. Serial No. 11/729,980 filed March 30, 2007 entitled **PARTITIONING ALGORITHM FOR BUILDING A STRATIGRAPHIC GRID**, including all divisional, international patent (and national stage patent applications resulting therefrom), continuing, substitute, renewal, reissue, and all other applications for Letters Patent or other related property rights which have been or shall be filed on any of said inventions disclosed therein or claiming priority therefrom, and in and to all original and reissued patents or related documents which have been or shall be issued on said inventions (collectively, "the Application"); and

Whereas Assignor wishes to confirm that it has assigned a portion of its rights in the Application to Paradigm Geophysical, Corp. (collectively with its successors, assigns and legal representatives, the "Assignee"), located at Two Memorial City Plaza, 820 Glessner, Suite 400, Houston, TX, 77204, USA:

NOW, THEREFORE, the parties agree as follows:

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the Receipt of which is hereby acknowledged, the Assignor:

Hereby confirms that on March 1, 2008 the Assignor did sell, assign and transfer, its entire interest in and to the Application to the Assignee and Assignor jointly in undivided shares of 2% and 98% respectively;

Agrees that said Assignee and Assignor may apply for and receive Letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for said Letters Patent or other rights, the priority of the aforesaid Application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee and Assignor, to carry out in good faith the intent and purpose of this assignment, the under-signed or the Assignee's or

Assignor's executors or administrators will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee or Assignor, its successors, assigns and representatives, all facts known and documents available to the Assignee or Assignor relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee or Assignor, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related rights and all patents on said inventions, in said Assignee or Assignor, its successors, assigns and legal representatives; and

COVENANTS with said Assignee, its successors, assigns and legal representatives that except for the ownership in the Application of Jean Claude Mallet, 15, Rue des Tanneurs, L-8355 GARNICH, Luxembourg (which is retained by Jean Claude Mallet and which is known to both the Assignor and Assignee), no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Assignor, and that full right to convey the same as herein expressed is possessed by the Assignor.
