ASSIGNMENT

PARTIES AND RECITALS

I, Jorge Baez, a citizen of Mexico, residing at 25652 Heatherow Circle, Lake Forest, CA 92631, USA (hereinafter referred to as the Assignor), have invented an invention entitled, **TRAY SUPPORT RAILING** for which an application for United States Letters Patent has been duly executed on Nov 21, 2017.

Cambro Manufacturing Company, a California corporation located at 5801 Skylab Road, Huntington Beach, California 92647 (hereinafter referred to as Assignee), is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, said application, and in and to any Letters Patent which may be granted and issued therefore in the United States and throughout the world.

ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, the above named Assignor, by these presents does sell, assign and transfer unto said Assignee and the successors and assigns of said Assignee, without any reservation thereto, the entire and exclusive right, title and interest to said invention and all improvements thereon as well as said patent application, in the United States and corresponding applications throughout the world, and in and to any Letters Patent which may be granted and issued thereon in the United States and throughout the world. I agree without additional consideration, to execute said above described application and any

corresponding applications, provisional applications, divisions, continuations, or continuations in part thereof, or any other documents, including those for reexamination, or reissue, now or hereinafter necessary to perfect the rights herein assigned.

The United States Commissioner of Patents is hereby authorized and requested to issue said United States Letters Patent to said Assignee, its successors and assigns.

Executed this 21 day of NOV 2017

at Huntington Beach CA.
