ASSIGNMENT

Whereas Paradigm Geophysical Ltd., located at 9 Shenkar Street, Gav Yam 3, 46120, Herzlia, Israel, ("First Assignee") had assigned to it from the inventors any and all inventions disclosed (including but not limited to those which are disclosed but not claimed) in the applications for United States Provisional Patent Serial No. 60/924,633, filed on May 23, 2007 entitled MODEL-BASED TIME-PRESERVING TOMOGRAPHY and United States Provisional Patent Serial No. 60,904,801 filed on March 5, 2007 entitled MODEL-BASED TIME-PRESERVING TOMOGRAPHY, including all divisional, continuing, substitute, renewal, reissue, international, national stage, and all other applications for Letters Patent or other related property rights in any and all foreign countries which have been or shall be filed on any of said inventions disclosed in or claiming priority or benefit from these applications; and in and to all original and reissued patents or related foreign documents which have been or shall be issued on said inventions (collectively, "the Applications");

Whereas the First Assignee wishes to confirm that it has assigned a portion of its rights in the Applications to Paradigm Geophysical (Luxemburg) SARL, located at Carre Bonn, 20, Rue de la Poste, L-2346 Luxembourg, P.O. Box 47, L-2010 Luxembourg, its successors, assigns and legal representatives ("Second Assignee");

NOW, THEREFORE, the parties agree as follows:

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the Receipt of which is hereby acknowledged, the First Assignee and Second Assignee:

Hereby confirm that on February 1, 2008, the First Assignee did sell, assign and transfer its entire interest in and to the Applications to the First Assignee and Second Assignee jointly in undivided shares of 98% (to the First Assignee) and 2% (to the Second Assignee) respectively,

Authorize and request the Commissioner of Patents of the United States to issue to said First or Second Assignee or both, their successors, assigns and legal representatives, in accordance with this assignment, any and all United States Letters Patent on said inventions or any of them disclosed in said Applications;

Agree that said First or Second Assignee or both may apply for and receive foreign Letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for said foreign Letters Patent or other rights, the priority of the aforesaid Applications under the provisions of the International Convention of 1883 and later modifications thereof under the Patent

Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said First or Second Assignee or both, their successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the under-signed or the undersigned's executors or administrators will, for the United States and all foreign countries, execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said First or Second Assignee or both, their successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said First or Second Assignee or both, their successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said First or Second Assignee or both, their successors, assigns and legal representatives; and

COVENANT with each other, their successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
