## ASSIGNMENT

WHEREAS, Environmental Materials, LLC, a Delaware limited liability company having a place of business at 7306 S. Alton Way, Suite B, Centennial, CO 80112, owner by assignment of the inventions that are described in United States and foreign patent applications listed in Exhibit A ("Applications");

NOW THEREFORE, be it known that Environmental Materials, LLC, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee does sell, assign, and transfer unto assignee, Talus Systems, LLC, a Delaware limited liability company having a place of business at 7306 S. Alton Way, Suite B, Centennial, CO 80112, its successors, legal representatives, and assigns, the aforesaid Applications and all continuation, divisional, continuation-in-part, and reissue applications associated therewith;

the right to claim priority to the Applications;

all corresponding foreign applications, all applications pursuant to the Patent Cooperation Treaty, which includes the right to be granted a patent in PCT contracting states;

all applications for extension filed or to be filed for the inventions, and all Letters Patent, Invention Registrations, Utility Models, Extensions, Reissues, and other patent or registration rights obtained for the inventions in the United States or any other country;

Environmental Materials, LLC also assigns any right, title, or interest in and to any invention that has not already been transferred to the assignee;

Environmental Materials, LLC warrants that it has made no assignment of the inventions or applications to a party other than Talus Systems, LLC and is under no obligation to make any assignment of the inventions, or applications to any other party; and

Environmental Materials, LLC further agrees to cooperate with the assignee in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the inventions, but at the expense of the assignee.

IN WITNESS WHEREOF, the Parties have executed this Assignment as of the date indicated hereunder.
