ASSIGNMENT

WHEREAS, we Alexander Pietschmann of Neu-Anspach, Germany and Jörg Tragatschnig of Zell am See, Austria have invented a certain new and useful invention entitled "*Loudspeaker*," for which an application for Letters Patent of the United States has been prepared and filed on August 22, 2017, receiving Serial No. 29/614,715;

NOW THEREFORE, be it known that we, the inventors, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, do sell, assign, and transfer unto the assignee, Adam Hall GmbH, a German company, having an address of Daimlerstr. 9, 61267 Neu-Anspach, Germany, its successors, legal representatives, and assigns, the aforesaid application and the invention(s) or designs(s) described therein for the territory of the United States of America and all continuation, divisional, continuation-in-part, and reissue applications associated therewith; all corresponding patent applications in foreign countries; all applications pursuant to the Patent Cooperation Treaty; all applications for extension filed or to be filed for the invention(s) or designs(s); and all Letters Patent, Invention Registrations, Utility Models, Extensions, Reissues, and other patent rights obtained for the invention(s) or design(s) in the United States or any other country;

We also assign any right, title, and interest in and to the invention and design which has not been transferred to the assignee;

We warrant that we have made no assignment of the invention(s), design(s), application, or patent therefor to a party other than Adam Hall GmbH and we are under no obligation to make any assignment of the invention, design, application, or patent therefor to any other party; and

We further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention(s) or design(s), but at the expense of the assignee.

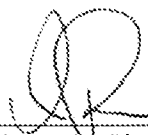

We have reviewed and understand the contents of the application. We affirm that the above-identified application was made or authorized to be made by us. We also acknowledge the each named inventor contributed to the conception of the inventions or designs disclosed or claimed in the above-identified application. We acknowledge the duty to disclose information which is material to patentability. We hereby acknowledge that any willful false statement regarding inventorship of this application is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment to Adam Hall GmbH, its successors, legal representatives, and assigns, as the assignee of the entire right, title, and interest therein.

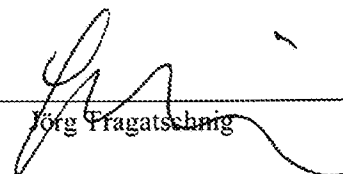

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date indicated hereunder.
