ASSIGNMENT

WHEREAS, **WELL SERVICE GROUP INC.** ("ASSIGNOR"), is the owner of certain design patents and design patent applications listed on Exhibit A; and

WHEREAS, **NEWPARK MATS & INTEGRATED SERVICES LLC** ("ASSIGNEE"), a limited liability company, having a principal place of business at 9320 Lakeside Boulevard, Suite 100, The Woodlands, Texas 77381 USA, created and existing under and by virtue of the laws of the State of Texas, is desirous of acquiring the entire right, title and interest in and to the aforesaid design patents and design patent applications throughout the world, and all right, title and interest in, to and under any and all Letters Patent of the United States and all other countries throughout the world;

NOW, THEREFORE, for consideration in hand paid by ASSIGNEE and for other good and valuable considerations, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns, transfers and sets over to ASSIGNEE all right, title and interest in and to the said design patents or design patent applications throughout the world, and any and all divisionals and continuations thereof, and any and all rights in the United States and foreign countries which may be granted therefor, the same to be held and enjoyed by ASSIGNEE, for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which said patents of the United States or foreign countries are or may be granted, as fully and entirely as the same would have been held and enjoyed by ASSIGNOR if this assignment and sale had not been made.

And ASSIGNOR hereby authorizes and requests that any and all design patents or design patent applications issuing or resulting from said applications, and from any and all divisionals and continuations thereof, be issued in the name of ASSIGNEE, as assignee of Assignor's entire interest, and hereby covenants that ASSIGNOR has the full right to convey the entire interest herein assigned, and that ASSIGNOR has not executed and will not execute any agreement in conflict herewith.

And ASSIGNOR further hereby covenants and agrees that it will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said design patents and design patent applications, as may be granted therefor, to ASSIGNEE, its successors, assigns, or other legal representatives and that if ASSIGNEE, its successors, assigns or other legal representatives shall desire to file any divisional or continuation applications, or to file a disclaimer relating thereto, will upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional or continuation applications, and the procuring thereof and for the filing of such disclaimer, without further compensation.

And ASSIGNOR does further covenant and agree that it will, at any time upon request, communicate to ASSIGNEE, its successors, assigns or other legal representatives, such facts relating to said design patents and design patent applications or the file histories thereof as may be known to ASSIGNOR, and testify as to the same in any proceeding when requested so to do,

without further compensation but at the expense of said assignee, its successors, or other legal representatives.
