ASSIGNMENT OF PATENT APPLICATION

This agreement is made this 16 day of August 2016 between:

CHAMPION Elise of 9 Rue Bégué-David, 31400 Toulouse, France;
 MCCONNELL, Bruce of 2 Chemin du Crêt à l'Aigle, 1814 La Tour de Peilz, Switzerland;
 and
 DEKANY, Gyule of 46 Furness Crescent, Sinnamon Park, Queensland 4073, Australia
 hereinafter referred to as "the Inventors"; and

Glycom A/S, a Danish company of Diplomvej 373 Ø, 1st floor, 2800 Kongens Lyngby, Denmark, referred to hereinafter as "the Assignee"

Whereas:

- (a) the Inventors have made the invention described in International Patent Application No PCT/IB2016/053412 entitled "*Ternary Mixtures of 6'-SL, LNnT and LST c*" filed on 9 June 2016 (hereinafter referred to as "the Application"), claiming the priority of:

European Patent Application Number EP15171177.7 filed 9 June 2015 entitled "*Ternary mixtures of 3'-SL, 3-FL and FSL*" & "*Ternary mixtures of 3'-SL, LNT and LST-a*" (hereinafter "the Priority Application"),

- (b) The Inventors were at the time of making the invention employed by the Assignee.

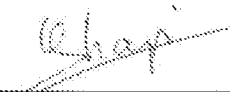

Now it is hereby agreed as follows:

1. In consideration of their employment and the payment of DKK100 (receipt of which is hereby acknowledged), the Inventors hereby assign to the Assignee the invention described in the Application, the right to apply for and be granted patent protection for the invention throughout the world, including the right to file divisional, continuation and continuation in part applications relating to the invention or any part thereof, and the right to sue for infringements occurring prior to the date of the assignment. To the extent (if any) that the Application generates a "right of priority" and is within the "period of priority" at the date of this assignment, the Inventors hereby assign to the Assignee such rights of priority. For the purposes of this Assignment, the expressions "right of priority" and "period of priority" have the meanings given to them in the Paris Convention for the Protection of Industrial Property, as amended from time to time, and shall be understood as including any equivalent expressions in any national or supra-national legislation that gives effect to that Convention.

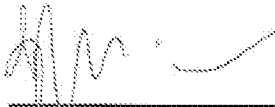

- 2. The Inventors hereby agree to execute all such documents as may be required from time to time to enable or facilitate the making or granting of such patent applications in the name of the Assignee.
- 3. The Assignee hereby accepts the assignment of the invention.

In witness whereof this agreement has been executed on the date first appearing above:

CHAMPION, Elise

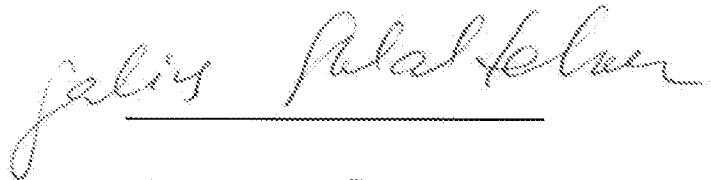

MCCONNELL, Bruce

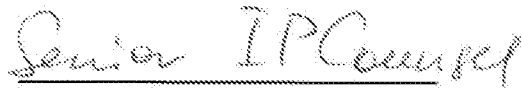

DEKANY, Gyula
