CONFIRMATORY ASSIGNMENT

For valuable consideration, the receipt of which I acknowledge, and intending to be bound legally, I, SOPHIE CONCHONNET, confirm my prior assignment to UNIT9 Ltd., a limited liability company formed under the laws of England and Wales and having a principal place of business at 2-4 Hoxton Square, London, N1 6NU, UNITED KINGDOM, and its successors, transferees, and assignees (collectively the "Assignee"), all of my right, title, and interest throughout the world in the subject matter (the "Subject Matter") of a patent application that names me as inventor, is titled "PORTION OF A DISPLAY PANEL WITH A COMPUTER ICON", and was filed in the United States Patent and Trademark Office on December 2, 2016, as application 29/586,317 (the "Application"), and hereby presently assign to Assignee any such right, title and interest to the extent not previously assigned.

This confirms my prior assignment of any right, title, and interest that I own or owned in (a) the Application and all other applications that may be made for, and all patents, utility models, design registrations, and other rights of exclusion and inventors' certificates for, any of the Subject Matter (collectively the "Applications and Granted Rights") in every country or region, (b) the right to claim priority based on and the benefit of the filing date of any of the Applications and Granted Rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other applicable treaties or conventions, and (c) the right to pursue, collect, and retain in the Assignee's name or otherwise, damages and any other remedies arising from any past, present, or future infringement of the Subject Matter, the Applications and Granted Rights, and any other rights whose assignment is confirmed herewith.

I also hereby confirm my authorization of the Assignee to apply for and pursue protection for any or all of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment in all countries, regions, and territories of the world, in my name or in the Assignee's name. I confirm that I either made this authorization, or was under obligation to make this authorization, prior to application by Assignee for protection of any of the Subject Matter.

I will communicate to the Assignee (or at the request of the Assignee to other parties) all

known facts in any form relating to the Subject Matter, will execute and provide all oaths and declarations, statements, testimony, assignments, powers of attorney, applications, and documents, and will perform all other lawful acts necessary or desirable to secure fully to the Assignee the rights, titles, and interests whose assignment is confirmed herewith.

Sophie Conchonnet
