## ASSIGNMENT

WHEREAS, I, Joe C. Downs, of Lexington, Kentucky, have made a certain new and useful invention as set forth in a United States utility patent application Serial No. 15/226,591, filed on August 2, 2016, which application claims priority to United States provisional patent application Serial No. 62/202,531, filed on August 7, 2015, entitled "WINCH ASSEMBLY;"

AND WHEREAS, Ramp N Clamp LLC, a Kentucky limited liability company, having a principal office mailing address of 3920 Westbrook Drive, Lexington, Kentucky 40514, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, transfer and set over unto Ramp N Clamp LLC, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reexamined, reissued, extended, or their equivalent, Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving

testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee;

I hereby authorize and request King & Schickli, PLLC of 800 Corporate Drive, Lexington, Kentucky 40503, to insert here in parentheses (Application Serial No. \_\_\_\_\_ filed \_\_\_\_\_ ) the serial number and filing date of the United States utility patent application when known;

AND I request the United States Commissioner of Patents and Trademarks, or the foreign equivalent, to issue any Letters Patent of the United States, or any foreign country, which may be issued for said invention to Ramp N Clamp LLC, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
