(Application No.: 61/086,056; Application Date: 8/4/2008)
(Atty. Docket No. D07013US01)

and described in an application for Letters Patent of the United States filed/executed by us on the date
herewith and in and to said application, and all divisions, renewals and continuations thereof, and all Letters of
Patent of the United States which may be granted, thereon, and all reissues and extensions thereof, and applications
for Letters Patent or other grants of protection of proprietary rights including, but not limited to, inventor's
certificate, utility model, utility certificate, patent of importation, registration of patent and industrial design
registration which may be filed, and which may be granted, upon said inventions in any countries or regions foreign
to the United States, and all reissues, renewals and extensions thereof; and we hereby authorize and request
Commissioner for Patents and Trademarks of the United States, and all officials of countries or regions foreign to
the United States having authority to do so, to issue all such Letters Patent or other grants of protection upon said
inventions to the Assignee or to such nominees as it may designate.

AND we authorize and empower the said Assignee or nominees to invoke and claim for an application for
such Letters Patent or other grants of protection for said inventions filed by it or them, the benefit of the right of
priority provided by the international Convention for the Protection of Industrial Property, as amended, or by a
convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further
written or oral authorization from us.

AND we hereby consent that a copy of this assignment shall be deemed a full and formal equivalent of an
assignment, consent to file or like document which may be required in any country or region for any purpose and
more particularly in proof of the right of the said Assignee or nominees to claim the aforesaid benefit of the right of
priority by the International Convention for the Protection of Industrial Property, as amended, or by any convention
which may henceforth be substituted for it.

AND we hereby covenant that we have the full right to convey the entire right, title, and interest herein
assigned and that we have not executed and will not execute an agreement in conflict herewith.

AND we hereby covenant and agree that we will communicate to said Assignee or nominees all facts
known to us pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all
divisional, continuing and reissue applications, make all rightful oaths and declarations and in general perform all
lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining, and enforcing all lawful
patent or other grants of protection of said invention in any and all countries and regions.
