Exhibit B

ASSIGNMENT

WHEREAS, Trustees of Boston University (hereinafter the "Assignor"), a educational institution organized under the laws of the Commonwealth of Massachusetts, having a business address at One Silber Way, Boston Massachusetts 02215, being the owner by assignment of an invention referred to under docket number BU00-67 and entitled: "*Sensory Prosthetic for Improved Balance Control*", which is the subject of United States Provisional Patent application 60/260,134 filed on January 5, 2001, United States Provisional Patent application 60/372,148 filed on April 12, 2002, International Application No. PCT/US2003/011338, International filing date April 14, 2003 and United States Non-Provisional Patent application 10/511,023 filed on October 8, 2004 (collectively the "Patents");

WHEREAS, RxFunction (hereinafter the "Assignee") is desirous to acquire and to practice the Patents;

NOW, THEREFORE, for other good and valuable consideration, receipt of which is acknowledged, Assignor does hereby assign unto Assignee, having its principle place of business at, IZIP 12212, 800 E 28th Street, Suite 2784, Minneapolis, MN 55407, its successors and assigns, the entire right, title and interest in the Patents, and in and to any division, continuation or continuation-in-part of said Patents, and in and to any and all Letters Patent and reissues, reexaminations and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in the United States and foreign countries in their own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing (collectively the "Patent Rights") to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made;

Assignor hereby further agrees to execute and deliver without further consideration any further assignments and documents, and to perform such other acts as they lawfully may, that may be deemed necessary by Assignees, their successors, assigns, and nominees, fully to secure their interest as aforesaid and to obtain or maintain the Patent Rights in any and all countries;

[The remainder of this page is intentionally left blank]

And the Trustees of Boston University do hereby authorize and request the Commissioner of Patents and competent authorities in countries foreign thereto to issue any and all Letters Patent which may be granted upon any of the Patent Rights, to Assignees, as the assignees of the entire interest therein.

In witness whereof, I, Martin J. Howard, an authorized representative of the Trustees of Boston University have hereunto signed my name on the day and year set forth below.
