ASSIGNMENT

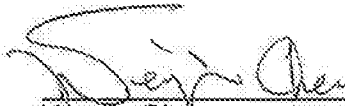

For good and valuable consideration received, I/we, Wenjie Chen, do hereby sell and assign to Solutia Inc., a Delaware corporation having a place of business at St. Louis, Missouri, its successors and assigns, the entire right, title, interest and priority rights in and to all of my/our inventions, discoveries and improvements disclosed in an application for Letters Patent for

POLYMER INTERLAYERS COMPRISING A COMPATIBILIZER

executed by Wenjie Chen the 29 day of October 2014

and all right, title and interest in and to Letters Patent and similar protective rights granted on said applications in the United States and other countries, as well as the right to claim any applicable priority rights arising from said applications under the terms of any applicable conventions, treaties, statutes or regulations, said applications to be filed and issued in the name of Solutia Inc. or its designee; and I/we agree to execute such documents as in the judgment of Solutia Inc. may be necessary to obtain any such patents and similar protective rights and vest and maintain the title thereto in Solutia Inc. or its designee; and I/we further agree that, upon request, but without expense to me/us, I/we shall furnish to Solutia Inc. or its designee any data, information, exhibits, memoranda, or other evidence in our possession relating to any of said inventions, discoveries or improvements and to testify in any ex parte or inter partes legal proceedings relating to any of said inventions, discoveries, improvements, applications, patents or similar protective rights; and I/we authorize and request issuance of all Letters Patent and similar protective rights that may be granted on any of said applications, to the extent that and in such manner as such issuance shall be requested by Solutia Inc. or its designee. This document shall be governed, construed, and interpreted in all respects in accordance with the laws of the State of Missouri, USA.

Signed this 29 day of October, 2014

Wenjie Chen
