part thereof) therein described, and any and all patents and  
like rights of exclusion (including extensions thereof) of any  
country which may be granted on or for said inventions or on  
said application.

And for the same consideration we do also hereby sell,  
assign and transfer unto the Assignee all our rights under the  
International Convention for the Protection of Industrial  
Property and all other treaties of like purpose in respect of  
said inventions and said application and we do hereby authorize  
the Assignee to apply in our names or its own name for patents  
and like rights of exclusion on or for said inventions in all  
countries, claiming (if the Assignee so desires) the priority of  
the filing date of said application under the provisions of said  
Convention or any such other treaty;

And for the same consideration we do hereby jointly and  
severally agree for ourselves and for our respective heirs,

executors and administrators, promptly upon request of the Assignee, to execute and deliver without further compensation any power of attorney, assignment, original, divisional, continuing, reissue or other application or applications for patent or patents or like rights of exclusion of any country, or other lawful documents and any further assurances that may be deemed necessary or desirable by the Assignee fully to secure to it said right, title, and interest as aforesaid in and to said inventions, application, and said several patents and like rights of exclusion, or any of them, all, however, at the expense of the Assignee;

And we do hereby authorize and request the Commissioner of Patents of the United States of America and the corresponding Officer of each country foreign thereto to issue to the Assignee any and all patents and like rights of exclusion which may be granted in any country upon said application or on or for said inventions;

And we do hereby jointly and severally covenant for ourselves and for our respective legal representatives and agree with the Assignee that we have granted no right or license to make, use or sell said inventions to anyone except the Assignee, that prior to the execution of this deed our right, title and interest in and to said inventions has not been otherwise encumbered by us, and that we have not executed and will not execute any instrument in conflict herewith.

IN WITNESS WHEREOF, we hereunto set our hands and seals on the day and year hereinafter noted.
