COMBINED DECLARATION AND GLOBAL ASSIGNMENT

FOR UTILITY OR DESIGN PATENT APPLICATION

As the below named inventor, I hereby declare that:

This declaration and assignment are directed to:

SLIP RING EXPANSION JOINT

the specification of which is attached hereto OR
 United States application or PCT international application number
_____ filed on _____

as
amended on [date] (if applicable).
(I hereby authorize and request the Company or its delegated attorneys or agents to
insert above the application number and filing date of the application when known.)

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention
in the application.

I hereby acknowledge that any willful false statement made in this declaration is
punishable under 18 USC § 1001 by fine or imprisonment of not more than five (5)
years, or both.

I have reviewed and understand the contents of the above-identified application,
including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the patentability of
this application as defined in 37 CFR § 1.56, including, for continuation-in-part
applications, material information which became available between the filing date of the
prior application and the filing date of the continuation-in-part application.

In accordance with my obligation(s) under an Employee Innovation and Proprietary
Information Agreement or (as applicable) arising out of other agreements (such as, but
not limited to, the Services Agreement between General Electric Company, a New York
corporation, and my employer), and/or for other good and valuable consideration of
which I acknowledge receipt, I,
