ASSIGNMENT

Whereas I, an undersigned inventor, have invented certain new and useful improvements included in the invention entitled:

ARTICULATED COUPLER

(Atty. Docket No. 0201-p26)

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, an undersigned inventor, hereby:

- 1) Sell, assign and transfer to **Bruno Independent Living Aids, Inc.**, a Wisconsin corporation having a place of business at 1780 Executive Drive, Oconomowoc, Wisconsin 53066 ("ASSIGNEE"), the entire right, title and interest in any and all improvements in, patent applications based upon, and patents granted upon, the above-referenced invention and any patent and related rights, including foreign, national and/or regional patent applications and patents, the right to file as the applicant for any patent on the invention, and the right to claim priority from any patent application for said invention.
- 2) Authorize and request the Commissioner of Patents to issue any and all Letters Patents resulting from said applications or any national stage, regional, division, continuation, continuation-in-part, substitute, renewal, re-examination or reissue thereof to the ASSIGNEE.
- 3) Agree to (a) execute all papers and documents and perform any acts, entirely at the ASSIGNEE's expense, which are reasonably necessary in connection with the prosecution of any patent application for the above-referenced invention and any patent application described in Paragraph 2, above, (including fully fulfilling and complying with at all times any inventor's duty of disclosure), as well as any derivative applications thereof, foreign, regional and international applications based thereon, and/or the enforcement of patents resulting from such applications; and (b) maintain in confidence and not disclose to any party any subject matter relating to any above-noted invention(s) and/or improvement(s).
- 4) Agree that the terms, covenants and conditions of this assignment shall inure to the benefit of the ASSIGNEE, its successors, assigns and other legal representative, and shall be binding upon the inventor, as well as the inventor's heirs, assigns and other legal representatives.
- 5) Warrant and represent that I have not entered into, and will not enter into any assignment, contract, or understanding that conflicts with this assignment.
- 6) Authorize and request ASSIGNEE's attorney/agent to take any appropriate action in order to assist with recordal of this assignment.

Signed on the date indicated beside my signature.
