ASSIGNMENT OF PATENT

THIS ASSIGNMENT, made by Dr. H. Morton Bertram, III, an individual having the address of 4701 Oak Leaf Dr., Naples, FL 34113 ("Assignor");

WHEREAS, Assignor is the owner of all right, title and interest to U.S. Letters Patent No. 9,833,249, entitled BONY BALANCING APPARATUS AND METHOD FOR TOTAL KNEE REPLACEMENT;

WHEREAS, Lenkbar, LLC, a Florida Limited Liability Company having the address of 11430 Tamiami Trail E, Naples, FLA 34113 ("Assignee") is desirous of acquiring the entire right, title and interest in and to the Patent.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned Letters Patents, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said Letters Patent in the United States and all foreign countries which may be granted therefor and thereon, and reissues, reexaminations and extensions of said Letters Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patents may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor are the sole and lawful owners of the entire right, title and interest in and to the said inventions and application for Letters Patents above-mentioned, and that the same are unencumbered and that Assignor have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patents and applications for Letters Patents for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Letters Patents, or any proceeding in connection with any Letters Patents or applications for Letters Patents for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters

Patents, or any reissue, reexamination or extension of any Letters Patents, to be obtained thereon, is lawful and desirable.

AND Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

BELZER, P.C.

All practitioners at Customer Number 131270

AND Assignor acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.
