ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made this 10th day of December, 2017 by Greg Schwenk (hereinafter referred to as Assignor), residing at 7252 Mohawk Street, San Diego, California 92115;

WHEREAS, Assignor has co-invented certain new and novel BEVERAGE CONSUMPTION STRAW designs, set forth in the following United States Patents: Design Patent No. D732,870 filed February 5, 2014; Design Patent No. D734,084 filed February 7, 2014; Design Patent No. D734, 083 filed February 5, 2014; Design Patent No. D769,044 filed November 11, 2015; and Design Patent No. D771,991 filed May 29, 2015 and

WHEREAS, Lance Hollander, an individual residing at 1625 Waverly Road, Gladwyne, Pennsylvania 19035 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Patents, and in and to any Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions and applications for Patents, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said applications, and any and all Patents in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Patents may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the

procurement, maintenance, enforcement and defense of any Patent and applications for Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent applications for Patents, or any proceeding in connection with any Patent or applications for Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Patent, or any reissue, reexamination or extension of any Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Patents of the United States to Assignee, as Assignee of said inventions and the Patents to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

CHRIS KUCZYNSKI, ESQ.

All practitioners at Customer Number 62265

AND Assignor acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.

Done at San Diego, California this 10th day of December, 2017.
