WHEREAS, FC Brands LLC, a Company organized and existing under and pursuant to the laws of Delaware doing business at 146 W. 29th Street, Suite 9W, New York, NY 10001, hereinafter (“FC Brands”), is desirous of acquiring the entire right, title and interest in and to said patents and patent applications listed in the attached Appendix A and the inventions therein described and claimed and any Letters Patent that may be issued upon said applications or for the improvements therein contained.

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto Soma, its successors and assigns and legal representatives, the entire right, title and interest in and to said patents and patent applications listed in the attached Appendix A and the inventions therein contained, including the right to apply for any Letters Patent in the United States of America and in any and all foreign countries on said invention, and any and all other applications for Letters Patent on said invention, in whatsoever countries, including all provisional, divisional, renewal, substitution, continuation, continuation-in-part, reissue, re-examination and Convention applications based upon said invention or upon said application, to the full end of the term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patents, the same to be held and enjoyed by FC Brands, its successors and assigns, the same as it would have been held and enjoyed by Soma if this assignment and sale had not been made.

And Soma hereby authorizes the Commissioner of Patents of the United States and the empowered officials of all other governments to issue or transfer all said patent applications and Letters Patents listed in the attached Appendix A to FC Brands, as assignee of Soma’s entire right, title and interest therein or otherwise as FC Brands may direct in accordance

Soma hereby represents and warrants that there are no rights or interests inconsistent with the rights and interests granted herein and that Soma will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interest granted herein, and that Soma has sold, assigned and transferred and do hereby sell, assign and transfer unto FC Brands, its successors and assigns, any further documents or instruments and do any and all further acts that may reasonably be deemed necessary by FC Brands to enable FC Brands, its successors or assigns, to file applications for the inventions in any country where it may elect to file such applications, and that may be necessary to vest in FC Brands, its successors and assigns, the title herein conveyed or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.
