Article 2. Assignment and Authorization

2.01 Assignment. Subject to any rights held by the U.S. Government, Cabot hereby transfers, assigns and conveys to SICPA HOLDING SA all of Cabot's right, title, and interest in

the '466 patent. The foregoing assignment includes the rights of Cabot if any, to maintain and defend the '466 patent before any public or private agency, office or registrar; and sue and recover damages or other compensation for past, present or future infringements thereof, the right to sue and obtain equitable relief, including injunctive relief, in respect of such infringements, and the right to fully and entirely stand in the place of Cabot in all matters related to the '466 patent.

2.02 Authorization. Cabot hereby expressly authorizes the Commissioner of Patents and Trademarks in the United States Patent and Trademark Office to record SICPA HOLDING SA as the assignee of the '466 patent and to deliver to SICPA HOLDING SA, and to SICPA HOLDING SA's attorneys, agents, successors or assigns, all official documents and communications as may be warranted by this Agreement.
