ASSIGNMENT

THIS ASSIGNMENT, made by **Studio Hagler LLC, d/b/a Trig Innovation**, a North Carolina corporation having a principal place of business at 510 Meadowmount Village Circle, Suite 140, Chapel Hill, North Carolina, 27517;

WITNESSETH: That,

WHEREAS, **Trig Innovation** is the employer of John Tyler Willis Hagler (also known as "Ty Hagler"), who is a co-inventor of certain new and useful improvements in **APPARATUS AND KITS FOR FLUID INFUSION** for which International Patent Application No. **PCT/US2016/019167** was filed on February 23, 2016, in the United States Patent and Trademark Office as the International Receiving Office; and

WHEREAS, **410 Medical Innovation, LLC**, a North Carolina corporation having a principal place of business at 201 West Main St., Suite 305, Durham, North Carolina, 27701, hereinafter referred to as Assignee, is desirous of acquiring the right, title and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Trig Innovation** has sold and/or by these presents do hereby sell, assign, transfer and convey unto the said Assignee, its successors and assigns, the right, title, and interest in and to the said invention(s) and application, and in and to any and all subsequent patent applications which claim the benefit of priority from said application including continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by **Trig Innovation** if this assignment and sale had not been made.

Trig Innovation hereby requests that said Letters Patent be issued in accordance with this assignment.

Trig Innovation further covenants and agrees to promptly communicate to said Assignee or its representatives any facts known thereto relating to said invention(s), to testify in any interference or legal proceedings involving said invention(s), to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention(s) in all countries and to vest in the Assignee complete title to the said invention(s) and Letters Patent and any other forms of protection therefor in the United States and any foreign countries/regions, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and Trig Innovation hereby instructs, and further covenants and agrees to bind its legal representatives and assigns, to do same, without further compensation, but at the expense of said Assignee or its representatives.

IN WITNESS WHEREOF, Trig Innovation has caused this assignment to be executed this 23 day of August, 2016. The undersigned warrants and represents that he/she has the authority to sign this Assignment on behalf of Studio Hagler LLC, d/b/a Trig Innovation.
