ASSIGNMENT

Assignment made this 28th day of December 2017, by Anthony Andrew Corriero, resident of Aiken County, State of South Carolina, herein referred to as "Inventor," to Barrel Mitt, LLC, a South Carolina limited liability company with its principal place of business located at 64 Weyanoke Court, Aiken, SC 29803, herein referred to as "Assignee."

RECITALS

A. Inventor is the inventor of U.S. Design Patent Application Serial No. 29/631,216, filed December 28, 2017, entitled **COVER FOR A FIREARM**.

B. Assignee is desirous of acquiring the entire right, title, and interest in the patents and application and the invention and improvements thereon, and in letters patent thereon when granted in the United States and, if applicable, foreign countries.

1. **ASSIGNMENT.** In consideration of Ten Dollars (\$10.00) and other consideration, the receipt whereof is acknowledged, Inventor assigns to Assignee his entire right, title and interest in the invention and the letters patent and application for letters patent, and any reissue or reissues of the letters patent already granted and that may be granted on the application, and any applications claiming priority from the application, the same to be held and enjoyed by Assignee for its own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which the letters patent are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Inventor if this Assignment had not been made, together with all claims for damages by reason of past infringement of the letters patent, with the right to sue for and collect the same for its own use, and for the use of its successors, assigns, or other legal representatives.

2. **AUTHORIZATION AND REQUEST.** Inventor is authorized and requests the Commissioner of Patents and Trademarks to issue any and all letters patent of the United States on the invention or resulting from the application, or any division or divisions thereof, to Assignee as assignee of the interest herein assigned.

3. **COVENANT.** Inventor covenants that he has full right to convey the interest herein assigned, and that he has not executed and will not execute any agreement in conflict herewith.

4. **COOPERATION.** Inventor covenants and agrees that he will at any time on request execute and deliver any and all papers that may be necessary or desirable to perfect the title to the invention or any letters patent that are or may be granted therefor. Inventor further covenants and agrees that he will, at any time on request, communicate to Assignee any facts relating to the invention and letters patent or the history thereof and testify as to the same in any interference or

other litigation when requested so to do.

IN WITNESS WHEREOF, the parties have executed this Assignment on the day and year first above written.
