PATENT ASSIGNMENT

Date: November 21, 2017
Assignor: Neil Mason (An individual Canadian citizen and resident of Newport Beach, California USA)

Assignee: Frame Your Game LLC (A California limited liability company)
Address: 220 Newport Center Drive #11-102, Newport Beach, CA 92660

This Patent Assignment ("**Assignment**") is entered into as of November 21, 2017 ("**Effective Date**"), by and between Neil Mason, ("**Assignor**") and Frame Your Game LLC ("**Assignee**").

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, its successors and assigns, his full and exclusive right, title, and interest as a named co-inventor in and to the patents and applications identified on attached Schedule A and his entire right, title, and interest as a named co-inventor in and to all letters patent that may be granted therefore in the United States and in all foreign countries and in and to all divisions, reissues, continuations, continuations-in-part, substitutions, renewals, reexaminations, and extensions thereof, including the full right to claim for any such application the benefits of the International Convention, (collectively, "**Patents**"). Assignor further assigns to Assignee the priority rights provided by the International Convention. Assignor further assigns to Assignee, its successors and assigns, his entire right, title, and interest as a named co-inventor in and to all claims for damages by reason of past infringement of the Patents, together with the right to sue for, collect and retain the proceeds for any past, present, and future infringement of the Patents.

Assignor hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment.

Assignor confirms having agreed, and to the extent necessary, does hereby agree, to cooperate with Assignee, its successors and assigns, in proceedings or transactions involving the Patents, including the giving of statements and producing of evidence reasonably necessary or desirable to secure allowance of the Patents, and to perform any and all other acts reasonably necessary or desirable to vest in Assignee his entire right, title, and interest as a named co-inventor of the Patents such that the Patents will be held and enjoyed by the Assignee, its successors and assigns, as fully and entirely as if the Patents would have been held and enjoyed by Assignor as a named joint inventor had the assignment to Assignee not been made.

SIGNATURE

A large, bold, handwritten signature in black ink, appearing to read 'Neil Mason', is written over a horizontal line.
