ASSIGNMENT

---

I/We the undersigned, hereinafter collectively referred to as "Assignor", have made an invention entitled TWIST ACTIVATED DISPENSER. Preferred embodiments of said invention are disclosed in a United States patent application which:

- is executed concurrently herewith for filing in the United States Patent and Trademark Office.
- was previously filed in the United States Patent and Trademark Office on October 19, 2017 Application Serial No. 15/788,705.
- is a United States National Application of PCT International Application No. \_\_\_\_\_, filed \_\_\_\_\_.

(The attorneys of Jeffery M. Lillywhite, PC are hereby authorized to insert the serial number and filing date when known.)

The Assignee, F-Matic, Inc., having a principal place of business at 299 South Millpond Dr., Lehi, UT 84043, desires to secure the entire right, title and interest in said invention and the patent application filed thereon.

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to Assignor by the Assignee, the receipt and sufficiency of which is hereby acknowledge, ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

The entire right, title, and interest in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of said application, or reissues or extensions of letters patent or patents granted thereon, and in all patents issuing thereon in the United States.

The right to claim the benefit of any prior related United States or foreign patent applications.

Assignor hereby agrees, without further consideration and without expense to Assignor, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of Assignor to

Assignor to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States applications and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of Assignor's ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said application.

Assignor hereby authorizes and requests that the United States Commissioner of Patents and Trademarks, who is duly authorized to issue any and all Letters Patent, and such patent office officials in foreign countries as are duly authorized by their patent laws to issue patents, recognize and record that Assignee is the owner of the right, title, and interest to the Patent Properties, for the use and benefit of Assignee, its successors, assigns, and legal representatives, to the full end of the term for which said Letters Patent are, or may be, granted, as fully and entirely as the same would have been held by each Assignor had this assignment and sale not been made. This assignment and agreement shall be binding upon Assignor's heirs and legal representatives.
