ASSIGNMENT

WHEREAS, I, **Jeffrey L. Cleland**, of San Carlos, CA (US) have invented certain new and useful improvements disclosed in a provisional application, titled “ **Compounds and Compositions for the Treatment of Ocular Disorders**” which may be identified in the United States Patent and Trademark Office by Application No. 62/222,095 filed on September 22, 2015, and for which an application for a Letters Patent in the United States claiming priority to said provisional application will be made.

WHEREAS, **GrayBug Inc.** (“Assignee”), a business entity organized and existing under the laws of the State of California, and having its principal offices at 303 Twin Dolphin Drive, Suite 600, Redwood City, CA 94065, is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and applications and in and to the Letters Patent to be obtained therefrom.

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, I, **Jeffrey L. Cleland** and by these presents do sell, assign, and transfer to **GrayBug Inc.** the full, exclusive, and entire right, title, and interest in and to said Applications, and in and to all inventions and improvements disclosed and described in said Applications, as well as all know-how derived during the development of, and directed to, the inventions and improvements disclosed and described in said Applications.

For the same consideration, I, by these presents, do sell, assign, and transfer to **GrayBug Inc.** the full, exclusive, and entire right, title, and interest in and to any U.S. nonprovisional or foreign application or applications corresponding to said Applications, in whole or in part, and to any Letters Patent and similar protective rights granted on said U.S. nonprovisional or foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said U.S. nonprovisional or foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations, including to all divisions, continuations, continuations-in-part, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents; said U.S. nonprovisional or foreign applications to

Application No. 62/222,095

be filed and issued in the name of **GrayBug Inc.** or its designee insofar as permitted by applicable law;

AND, for the consideration aforesaid, I do hereby agree that me and my executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby assigned and conveyed, or intended so to be.

AND, furthermore I covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.

IN WITNESS WHEREOF, WE have hereunto set our hands and affixed our seal as dated below.

ASSIGNMENT

WHEREAS, I, **Emmett Cunningham**, of 195 Rizal Drive, Hillsborough, California 94010, USA, have invented certain new and useful improvements disclosed in a non-provisional patent application and a PCT International application titled, “**COMPOUNDS AND COMPOSITIONS FOR THE TREATMENT OF OCULAR DISORDERS**”, which is identified in the U.S. Patent Office by U.S.S.N. 15/273,686, which was filed on September 22, 2016, and identified in the International Bureau of WIPO by PCT International Application No. PCT/US2016/053210, which was also filed on September 22, 2016, which claims priority to U.S. provisional application no. 62/222,095, which was filed on September 22, 2015, and for which an application for Letters Patent in the United States and other foreign jurisdictions claiming priority to the above-mentioned provisional application will be made.

WHEREAS, **Graybug Vision, Inc.** (“Assignee”), a business entity organized and existing under the laws of the State of Delaware, and having its principal offices at 275 Shoreline Drive, Suite 450, Redwood City, CA, 94065, is entitled to the ownership of this invention and all applications describing this invention by virtue of the employment of the inventor, and thus desires to acquire the entire right, title and interest in and to said inventions, improvements and applications and in and to the Letters.

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, I, **Emmett Cunningham**, by these presents do sell, assign, and transfer to **Graybug Vision, Inc.** the full, exclusive, and entire right, title, and interest in and to said Application, and in and to all inventions and improvements disclosed and described in said Application, as well as all know-how derived during the development of, and directed to, the inventions and improvements disclosed and described in said Application.

For the same consideration, I, by these presents, do sell, assign, and transfer to **Graybug Vision, Inc.** the full, exclusive, and entire right, title, and interest in and to any U.S. nonprovisional or foreign application or any other applications that correspond to or claim priority to said Application, in whole or in part, and to any Letters Patent and similar protective rights granted on

12025-002US1

said U.S. nonprovisional or foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said U.S. nonprovisional or foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations, including to all divisionals, continuations, continuations-in-part, or renewals thereof, all Letters Patent which may be granted therefrom, all reexaminations, and all reissues or extensions of such continuations-in-part, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents; said U.S. nonprovisional or foreign applications to be filed and issued in the name of **Graybug Vision, Inc.** or its designee insofar as permitted by applicable law;

AND, for the consideration aforesaid, I do hereby agree that I and my executor(s) and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to me relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby assigned and conveyed, or intended so to be.

AND, furthermore we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

The Assignor agrees that this general assignment is effective from the 22nd day of September 2016.
