PATENT ASSIGNMENT

This PATENT ASSIGNMENT (this "Assignment") effective as of January 3, 2018 is made between **Concept Group, Inc.**, a New Jersey corporation (hereinafter referred to as the "Assignor") with a principal place of business at 380 Cooper Road, West Berlin, NJ, and **Concept Group LLC**, a Delaware limited liability company (the "Assignee"), with a principal place of business at 593 Washington Street, Wellesley, MA. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Asset Purchase Agreement among Assignor, the sole shareholder of Assignor named therein, and Assignee, dated as of this even date (the "**Asset Purchase Agreement**").

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

1. Assignor hereby assigns, transfers and conveys to the Assignee, its successors, legal representatives and assigns, all right, title, and interest in and to the United States and foreign patent applications and patents listed on the attached schedule, including without limitation, the right to any patents, continuations, divisionals, reissues or reexaminations thereof, the right to prosecute any applications therefor, the right to have any applications, patents, continuations, divisionals, reissues, or reexaminations issue in the name of the Assignee, the right to apply for and obtain any renewal of any patents thereof, the right to any priorities based on the filing of the aforesaid applications, the right to sue for past and future infringement, and the right to the goodwill of the business symbolized thereby.

2. Assignor hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office, and any official of any country or countries foreign to the United States, whose duty is to issue patents or other evidence or forms of intellectual or industrial property protection on applications as aforesaid, to issue the same to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this Assignment; provided, however, that Assignor shall not be required to incur any costs or expenses in connection therewith, whether internal or external, including out-of-pocket expenses (including for travel).

3. Assignor hereby further covenants and agrees that upon the reasonable request of Assignee, it will communicate to Assignee, its successors, legal representatives and assigns, such facts as are known to Assignor relating to the use, maintenance, protection and enforcement of the patents, testify in any legal proceeding, sign all lawful papers, make all rightful oaths, and use its commercially reasonable efforts to aid Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the patents; provided, however, that any such costs or expenses incurred by Assignor in connection with such cooperation, whether internal or external, including out-of-pocket expenses (including for travel) shall be at Assignee's expense and any such requested cooperation shall not unreasonably interfere with the operations of any of Assignor's businesses.
