## ASSIGNMENT

In consideration of Five Dollar (\$5.00), and other good and valuable consideration, the receipt of which is hereby acknowledged,

(1) **LEUNG, Martin Kwan Yu**, the undersigned, whose full post office address is  
51-1169 Dorval Drive, Oakville, Ontario, L6M 4V8

Hereby sells, assigns and transfers to **IPEX TECHNOLOGIES INC.**, having a place of business at 1425 North Service Road E., Unit 3, Oakville, Ontario L6H 1A7, Canada, its successors, assigns and legal representatives, the entire right, title and interest for Canada, the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for a United States Design Patent, which has been executed by the undersigned concurrently herewith, and entitled "**Double Containment Coupling**" and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Industrial Design or Design Patent which have been or shall be filed in Canada (including Canadian Industrial Design Application Serial No. 178055), the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in Canada, the United States and all foreign countries on said improvements;

Agrees that said Assignee may apply for and receive Industrial Design or Design Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

Executed at Oakville, Ontario, Canada, this 21 day of December, 2017.
