PATENT ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged. We, Scott H. Wilson of 1916 W. Huron St., Chicago, Illinois 60622; Michael Seum of 730 South Clark Street, #504, Chicago, Illinois 60606; Gillian Rode of 3016 Webster Street, San Francisco, California 94123; David B. Seal of 1830 N. Milwaukee Avenue, #404, Chicago, Illinois 60647; Dennis M. Puhalla, of 2829 Butters Drive, Oakland, California 94602; Keith Alsberg of 200 W. Ohio Street, Chicago, Illinois 60604; and Jon Godston of 3100 W. Lyndale Street, Chicago, Illinois 60647; all in the United States of America, hereby sell and assign to Wimo Labs, LLC, a corporation organized and existing under the laws of the State of Illinois, having its principal place of business at 939 West Lake Street, Chicago, Illinois 60607, U.S.A. ("Assignee"), its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in and to the invention entitled "MOBILE DEVICE CASE" invented by us, and the application for United States patent therefor, which has been assigned a Serial No. 14/340,305 filed July 24, 2014, and any and all other applications therefor or arising therefrom, including all applications claiming the benefit thereof, and all original and reissued patents granted on any such application, and all divisions and continuations of any such application, including the subject matter or any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents, registered designs and Utility Model Registrations which may be granted thereon in any foreign countries. We hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent, Registered Design or Utility Model Registration to Assignee, its successor, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned.

We covenant that we have not executed and will not execute any agreement in conflict herewith and agree that we will communicate to the Assignee, its successors, assigns, nominees, or other legal representatives, all facts known to us respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when the Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, we will, upon request, sign all lawful papers requisite for the filing of such disclaimer.

We further covenant and agree that we will, at any time upon request, do everything legally possible to aid the Assignee, its successors, assigns, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper patent, registered design and/or Utility Model protection for said invention in all countries, all without further consideration but at the expense of the Assignee, its successors, assigns, nominees, or other legal representatives.
